recipes

Enjoy!

Our Blitz2Go personal blender has taken Australia by storm and we know everyone will love the new Shake It Kit accessory pack, specifically designed to be used with the Blitz2Go personal blender*.

*Shake It Kit suits all Blitz2Go personal blender models (Blender Sold Separately)

Choose a blade

Blitz2Go™

Blending Blade

Attach the **blending blade** to either the 300ml or 600ml Blitz2Go bottles to blend delicious fruit smoothies, mocktails and cocktails.

NOTE: Use the Blitz2Go blending blade when the recipe indicates the addition of fruit or other ingredients that require blending.

Shake It Kit

Wave Blade

Attach the **wave blade** to the 600ml Blitz2Go bottle to make perfectly aerated milkshakes, mocktails and cocktails.

NOTE: The wave blade is designed specifically to create an aerated result. It is not designed to blend or liquefy ingredients or crush ice.

Shake It Kit

Wave Blade

Attach the **wave blade** to the Shake It Kit cocktail shaker to create perfectly aerated and chilled mocktails and cocktails.

NOTE: The wave blade is designed specifically to create a chilled, aerated result. It is not designed to blend or liquefy ingredients or crush ice.
